

# A DAY AT MY DENTIST

Parking and entering the office

Checking in at the front desk

Playing games while waiting for my visit

X-ray rooms for pictures of my teeth

The hallway on the way to my chair

The scale to see how much I've grown

# A DAY AT MY DENTIST

I put on sunglasses and headphones

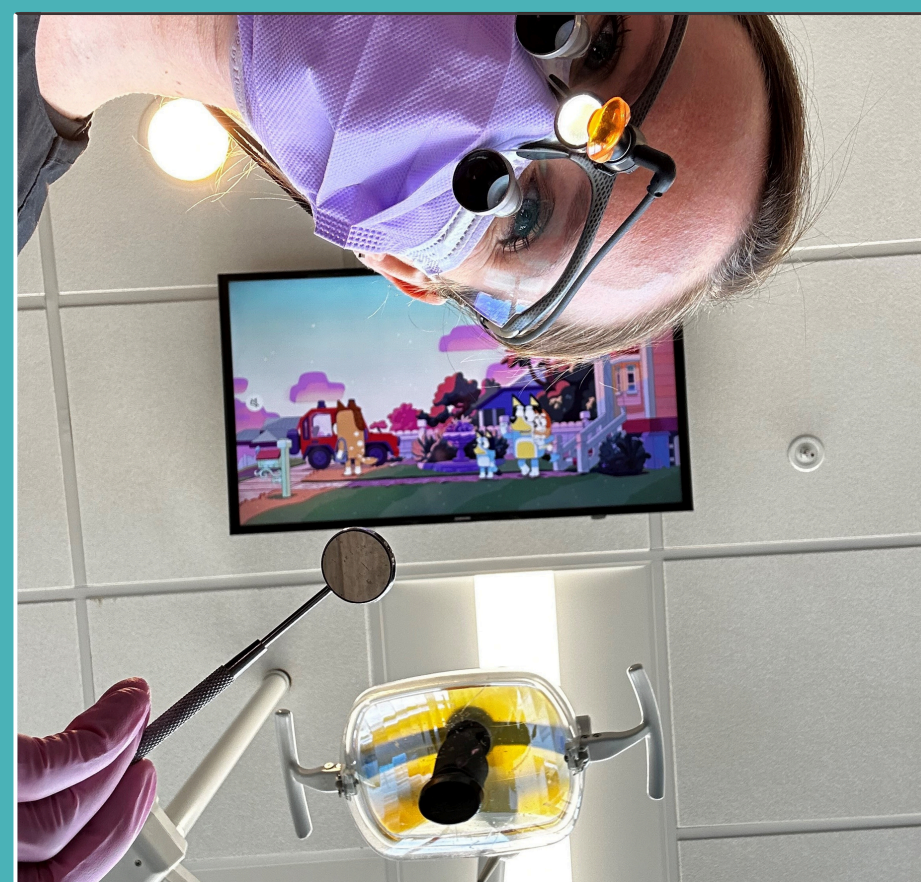

The chair where I get my teeth brushed

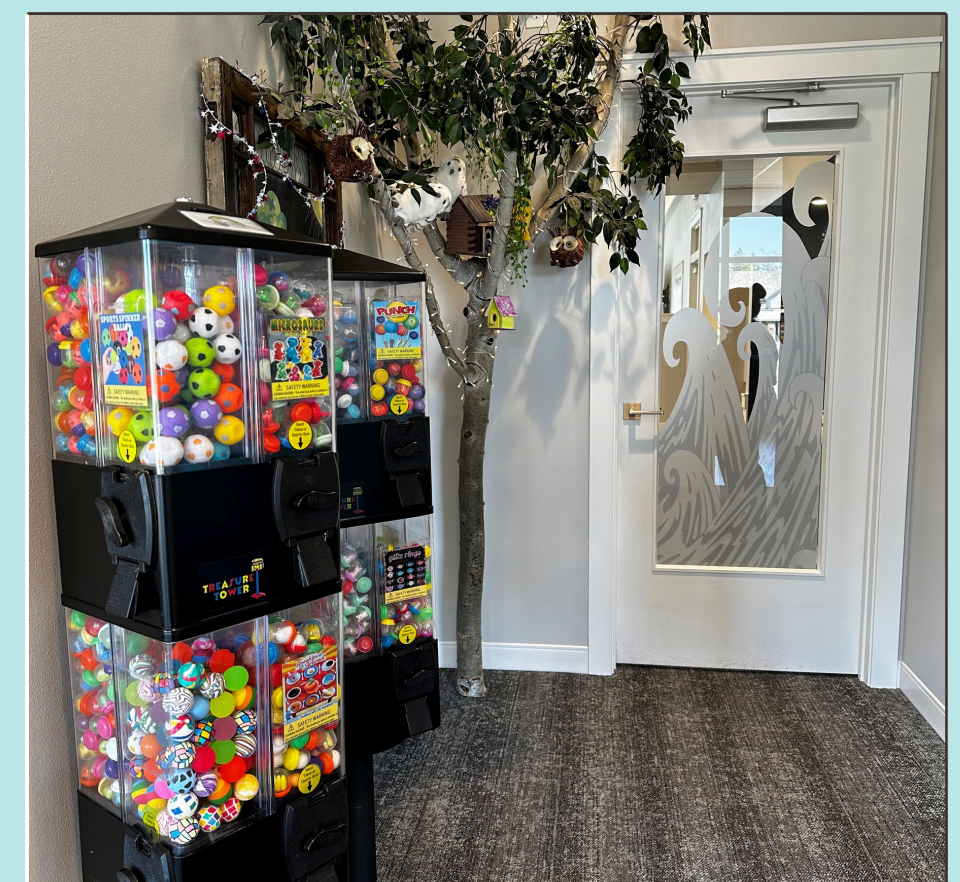

The special tools to brush my teeth

The doctor counts my teeth

The doctor wears gloves and a mask

When I'm done I get to pick a prize!
